Between Heaven And Earth A

Between Heaven And Earth is an extremely readable exposition of the philosophy behind Traditional Chinese Medicine and its practical healthcare applications. It is a well-known and widely respected volume that begins by introducing basic principles and methods before going a little deeper into five phase theory, and concluding with a discussion of acupuncture, herbalism and nutrition.

Between Heaven and Earth: A Guide to Chinese Medicine ...

Between Heaven and Earth explores the relationships men, women, and children have formed with the Virgin Mary and the saints in twentieth-century American Catholic history, and reflects, more broadly, on how people live in the company of sacred figures and how these relationships shape the ties between people on earth. In this boldly argued and beautifully written book, Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis, faith and scholarship.

Between Earth and Heaven. 2006. This work by an African master of international renown is a highly original creation that constitutes a response to a classic canonical form of expression. It is a powerful instance of the vitality of contemporary expression in Africa and the continuity that exists with the traditional forms that are the focus of the Metropolitan Museum of Art's collection.
