To meet these government training regulations, FedEx Express offers several unique training seminars for shippers: a 3-Day Dangerous Goods Initial Training, a 1-Day Dangerous Goods "Recurrent" Seminar, and several new virtual seminars. FedEx Express also offers customized 1-day Radioactive Materials Seminar for shippers of those commodities.

Dangerous Goods Seminars - FedEx

After your computer training you'll get some iPad training which is fairly more amusing but no less straightforward. Instructions are great. Defensive driving training is a snore, but again - very straightforward. You might be in a Smith system class, and the guys are pretty nice; I've spoken with a couple of them and was trained by one.

FedEx Express Courier Training : FedEx

Training needs analysis enables companies to identify areas that need to be improved to avoid allocating resources on unnecessary training. The first step in FedEx training needs analysis is to interview those individuals concerned with supervising and delivering the task that is deemed unproductive (Noe, 2004).

FedEx is a household name, and is ranked #3 on our list of best companies to work for as a trucker. Everyone has seen their iconic purple and orange packages at their doorstep. With a reputation for quick and secure deliveries for small businesses and e-commerce, what initially started as an air-freight business in the early 1970's exploded into a do everything conglomerate by the late 90's.
