Sky Above Clouds does just that. In the midst of the clouds that at times overshadow our daily lives, there is hope in remembering that there is a sky above these clouds—one that holds the memories of who we were, and the hopes and possibilities of what we are still becoming. I had the privilege of knowing Gene Cohen at George Washington ...

Sky Above Clouds is a powerful narrative of illness that will reshape current thinking about chronic disease, health care, aging, and the arts. On one level, it is an intensely personal story of Gene Cohen’s thirteen-year battle with metastatic prostate cancer and Wendy’s insightful observations made throughout the long journey as his wife and caregiver.

Reviews | sky-above-clouds

Sky Above Clouds: Finding our Way through Creativity, Aging and Illness Time is an upcoming book by Gene D. Cohen M.D., Ph.D. Wendy Miller, Ph.D., ATR-BC, REAT, LPC. It’s a common misconception that the aging mind is only capable of deterioration. In fact, just the opposite is true.

Amazon.com: Customer reviews: Sky Above Clouds: Finding ...

There is a section in one of the final chapters of Sky Above Clouds that keeps replaying in my head. I hear my late husband Gene saying, “I am rushing.”At the time, Gene was going through chemotherapy for metastatic prostate cancer which had been lying dormant for the prior 13 years, or perhaps better said, had been “in check” with his hormone therapy.
